

IET Intelligent Transport Systems Terms and Conditions

- ERTICO has an agreement with the Editor-in-Chief of IET Intelligent Transport Systems (IET ITS), an SCI-E (ISI) and EI indexed peer-reviewed journal, to publish the high-quality research showcased at the ITS Congresses in Europe.
- Authors of **Research Papers** that are considered suitable for expansion and academic publication will receive a formal invitation to submit an updated and enhanced paper shortly after the Congress. To be considered for publication, the content of all submitted papers must be expanded by 30% or more from the Congress submissions.
- Papers will go through the journal's standard and thorough peer-review process and, if accepted for publication, will be indexed in the citations databases. Publication is not guaranteed.
- The articles that are selected for publication in the special issues will be eligible for a 10% discount on the article processing charge (standard APC for ITS is \$2,800 USD /£2,190 GBP / €2,560 EUR). All costs are to be borne by the submitting authors.
- The IET will also sponsor three prizes, amounting to the equivalent of \$200 USD each, for the best Research Papers (one each from the organising regions) presented during the World Congress.
